

# **Affiliate-supported Scholarships**

## Award Package

## TERMS AND CONDITIONS

### **Student Eligibility**

- Affiliate-sponsored NC Space Grant Scholars must be permanent United States citizens.
- Scholars are required to be enrolled as a full-time student at a NC Space Grant affiliate university during the award period.
- Students are required to maintain a minimum GPA of 3.0 during the award period.

### **Student Reports**

- You will be asked to submit a Final Report to the NC Space Grant Program Office at the end of your award period as follows:
  - Summer Awards – August 1, 2010
  - Academic Year Awards – April 15, 2011
- Reports should include a brief (ca. 200 word) abstract, a (1-3 page) summary of the independent aerospace-related research supported by your Affiliate-sponsored Scholarship. It would be appropriate to attach any article or paper presented on your topic during the year. The abstracts and summaries may be included in our final report to NASA at the end of the year.

### **NASA/NC Space Grant Acknowledgement:**

Please acknowledge the support of the National Space Grant College and Fellowship Program and the NC Space Grant Consortium in your reports, and in any papers or presentations that emanate as a result of your work. The NC Space Grant logo can be downloaded from our website at [www.ncspacegrant.org/info](http://www.ncspacegrant.org/info).

### **NASA Reporting and Longitudinal Tracking**

NC Space Grant is required to report to a centralized NASA database all students who receive support from NC Space Grant. All personal information that is reported by NC Space Grant to the NASA system is confidential and *will not* be shared with or sold to outside agencies.

You will also be required to provide participant feedback in the online NASA/NC Space Grant Longitudinal Tracking system, which is a NASA requirement for all students receiving NC Space Grant support. The system tracks student progress from award to employment.
